TO BE COMPLETED & DETAILS AUTHORISED BY YOUR BANK ACCOUNT SIGNATORY

A. Terms and Conditions

This signed Authority and Mandate refers to our contract dated ("the Agreement"). I/We hereby authorise you to issue and deliver payment instructions to your Banker for collection against my/our nominated account at my/our nominated Bank (or any other bank or branch to which I/we may transfer my/our account) on condition that the sum of such payment instructions will never exceed my/our obligations as agreed to in the Agreement and commencing on and continuing until this Authority and Mandate is terminated by me/us. The individual payment instructions so authorised to be issued must be issued and delivered as per overleaf.

In the event that the payment day falls on a Sunday, or recognised South African public holiday, the payment day will automatically be the last working day prior to the debit date. I/We understand that the withdrawals hereby authorised will be processed through a computerised system provided by the South African Banks. I/We also understand that details of each withdrawal will be printed on my bank statement. Such must contain a number, which must be included in the said payment instruction and if provided to me should enable me to identify the Agreement. This number must be added to this form in Section E before the issuing of any payment instruction. I/We agree to pay any bank charges relating to this debit order instruction.

The physical address provided is our domicillium citandi et executandi. I/We understand and agree that I/we will be liable for all outstanding monies which may be due to Leads 2 Business for services which I/we used. I/We also agree that I/we will be held liable for all interest, collection cost and/or any fees which may occur should the account be handed over for collection. I/We understand clearly that Leads 2 Business has the right to place a listing on Credit Bureau should I/we fail to settle the account in full. Receipt of this instruction by you shall be regarded as receipt thereof by my/our bank. Leads 2 Business does everything in its power to ensure that clients receive the most qualified leads possible, however it cannot guarantee work from leads received, therefore, payment cannot be withheld should the leads provided not result in work.

B. Mandate

I/We acknowledge that all payment instructions issued by you shall be treated by my/our nominated Bank as if the instructions have been issued by me/us personally.

C. Cancellation

Should you wish to unsubscribe, we require fourteen (14) days notice prior to the next debit run. I/We agree that cancellations made directly through our bank alone will not suffice as a cancellation of this agreement. Written notice of cancellation is required and must be faxed through to 033 343 5882 or emailed to Accounts@L2B.co.za. A maximum suspension period of three (3) months is allowed, with an automatic suspension activation after which, the account will be de-activated. Suspension requests must be received by L2B in writing. I/We shall not be entitled to any refunds of amounts which you have withdrawn while this authority was in force if such amounts were legally owing to you.

D. Assignment

I/We acknowledge that this Authority may be ceded or assigned to a third party if the Agreement is also ceded or assigned to that third party, but in the absence of such assignment of the Agreement, this Authority and Mandate cannot be assigned to any third party.

E. Agreement Reference Number

This Agreement's reference number is:	(This will be supplied by L2B)
